I have completed review for H11XXX, Jones, Jenny

**A - Items required to protect human subjects:**

Cover page:

Proposal Narrative (comments by narrative section):
1. Participant section:
2. Methodology section:

Informed consent:

Other docs; (Be specific about the location of the error or omission to assist us to assure we translate your intent correctly)

**B - Suggestions to strengthen the research:**

**C. – Resubmission required** (This means the corrections are substantial and you would like to the revisions back to reconsider approval.)

Or

**Conditional approval upon Research Compliance acceptance of revisions.** (This means that RC will decide if the revision meets the intent. If we are unclear, we will contact you.)
